

Artan Gardens is an arts and horticultural organization. We are committed to growing more nutritious food and rejuvenating the environment. Together, with friends, colleagues, schools, business ambassadors, Government and local food groups we can **Cultivate Creative Culture** within urban centers.

Join and support our nation- wide program to grow and propagate heirloom seeds: **Seed Your City to Feed Your City**. This unique program blends the Arts with Horticultural education. We provide heirloom seeds and step-by-step guides on how to grow them with an interactive ECO-SCHOOLS curriculum. **Seed Your City** gives everyone the opportunity to grow their own produce, feed their city, and create stunning edible landscapes.

- ❖ 1 Seed /Plant = 1 meal
- ❖ 100 seeds grow to feed 100 people for one day or 10,000 seeds
- ❖ 10,000 Seeds grow to be 100,000lbs of food or 1,000,000 seeds

Seed Your City Launch: Queen's Park, September 28th from 4:00-7:00 where community and provincial leaders will actively support the growing of heirloom organic seeds in cities. RSVP A MUST at Seed@ArtanGardens.com Please contact us on how to be a sponsor at this event.

Seed Your City Charity Fundraiser Gala: Dinner and Entertainment at **Greg Coulliard's Spice Room** in Hazelton Lanes, October 21st, 2009 5:00-Late Your donations will go towards preserving and propagating heirloom seeds for future generations on landscaped and mineral enriched "Art and Garden" Rock Roofs, school playgrounds, and city green spaces. Fabulous photography, paintings, collectables and prize-winning produce will be auctioned off over a freshly prepared dinner from our antique seed lines.

During **Seed Your City** we'll demonstrate how food grown in efficient and sustainable ways positively impacts the environment, the people and the culture of our country. Make a generous donation today towards this sui generis evening and help **Artan Gardens** make room for art, nutrition, and gardening in everybody's lives. Through **Seed Your City**, we can eliminate hunger, and replenish our Global Seed Pantry.

Benefits of Supporting Seed Your City:

- Your business will be recognized at the onsite event and received by all attendees at the Queen's Park (Legislative Assembly of Ontario) event on September 28th & the Hazelton Lanes event on October 21st
- Your donation will go towards a 3000 sq. ft greenhouse space at Downsview Park
- Your donation will help to build and sustain horticultural gardens within Ontario
- The **Seed Your City** Program will reduce greenhouse gas emissions, generating significant financial contributions for government, municipalities and school boards to grow localized food cross Canada.
